

Fire Evacuation Procedure

Get out

Stay out

Dial 999

- If the smoke alarm sounds or you hear the calling of **FIRE**
- **STOP** what you are doing at once
- Listen carefully to the instructions of your childminder
- Follow your childminder and leave the house calmly
- Do not run - **WALK** to the assembly point

Our assembly point is

- Listen to the register for your name
- Stay and wait outside with your childminder
- Do not go back inside the house until your childminder tells you that it is safe to return
